Table 69

Q5a Devolution is when certain decision-making powers, as well as funding, are transferred down from Central Government to a local area.

It means that decisions are taken close to where they have an effect.

To what extent, if at all, do you support or oppose the principle of devolution?

Survey of Somerset residents on local government reorganisation - (weighted)

5 Jan 2021
Table 70

Q5a Devolution is when certain decision-making powers, as well as funding, are transferred down from Central Government to a local area.

It means that decisions are taken close to where they have an effect.

To what extent, if at all, do you support or oppose the principle of devolution?

Base : All respondents
